

Buck

&

Elizabeth

Buck, former manager, singer and songwriter for the "New Christy Minstrels", Buck changed his direction in 1989 when he settled in the Northwest and used his

talents to create the highly successful "education through entertainment" program.

Elizabeth received 13 years of wisdom, instruction and musical talent from her mother. With these tools, Elizabeth continues to soar to levels of vocal achievement far beyond the imagination of her mother or even herself. From character voices to soulful blues she is comfortable with Looney Tunes and Patsy Cline. However, she has quickly become known as the "best" ventriloquist ever seen with her "friend", Peter.

Together, *Buck & Elizabeth* put on a high energy show which includes guitar, banjo, vocal impersonations, sign language, ventriloquism and cheek slappin'. Their music and their personalities are sure to charm audiences of all ages.
