RENTAL TERMS AND CONDITIONS

RESERVE YOUR EQUIPMENT:

All equipment can be reserved for the dates you request once all of the required information is received. Name, Phone number, Equipment needed, Visa, MC or American Express on file (you are not pre-charged. Information for security purposes only.) Corporate account may pay by Net 15 upon our receiving a purchase orders. \$100.00 orders and above only.

PICK-UP YOUR RESERVED EQUIPMENT:

A valid form of identification as well as a current address and two phone numbers are required at the time of pick-up. Payment is due at time of pick-up. You may pay via credit card, cash or check. We do highly recommend that you send the person operating the equipment to pick-up the equipment, so that we can best demonstrate how to use the equipment.

RENTAL RATES AND TIME PERIODS:

Rental rates are subject to change without notice. Rates listed are for 1 day rentals. Additional days are \$10-\$50 (more for very large rentals) based upon the total of the rental. Weekly rates are calculated at double the daily rates. Monthly rates are calculated at double the weekly rates. All rental returns are due back by 5 p.m. (3 pm on Saturdays) on the date specified on the receipt, or a late fee will be charged. Alternative pickup and return times may be accommodated with prior arrangement. We are closed Sundays and most holidays. You are not charged for these days.

CANCELLATION AND RETURN POLICY:

All rentals are non-cancelable and you will be charged 100% of the rental price if cancelled or not picked up. A pro-rated daily rental rate will be charged for all late returns. Although we have extensive inventory to serve you, we do have a limited amount of equipment available, and may have turned away business to guarantee your rental will be available.

PROBLEMS AND ASSITANCE:

We offer 24 hour assistance. Typically we can walk you through most problems over the phone. If you are having problems with the equipment then you are required to contact us. No refund will be given to customers that DID NOT contact us. We stand behind every piece of equipment we rent and if used correctly and for its intended application, failure is very unlikely. We will come to your location and replace the faulty equipment, if possible.
